My Careers

x

These are the suggested careers based on your answers so far. See how your answers relate to careers by clicking on the match icons. Further details on why a career has been suggested are available from the career's 'Suitable For you?' tab.

Use the tabs on the left to explore other areas of Adult Directions. For example, to answer more Likes & Dislikes or enter your Skills, select 'About Me'.

Add careers to your Career Plan using the 'Add to Plan' buttons next to the career titles. For help with career planning, select the 'Career Plan' tab.

For general information about work, training and guidance, select the 'Information' tab.

Find out everything you need to know about a career by clicking on the career title.

To see photos of a career, click on the photo next to the title. There may also be a video clip of the career and/or 'real lives' information.

Choosing from the 'Types of Work' will show you careers in particular areas such as 'Art and Design' or 'Active'.

Choosing 'Working Hours' shows you careers where you can work part-time, be self-employed or have flexible hours.'

Want to earn more than a certain amount? Use 'Average Salary' to narrow down your list.
